

# DF Capital Foundation

## Fund Criteria

The **DF Capital Foundation** welcome applications from locally managed community groups based in any of the ten boroughs of Greater Manchester.

## Who can apply?

The **DF Capital Foundation** aims to support grassroots community organisations. This means small, community-based and locally controlled groups that manage themselves, encourage people to get involved as volunteers and who just need a bit of financial help to be able to work with their community in the way they'd like.

Applicants must be based in one of the ten boroughs of Greater Manchester and have an annual income of **less than £25,000**.

## How much can you apply for?

The maximum award request that will be considered is **£1,000**.

## What can you apply for?

Local groups understand how they can best work in their communities, so we don't want to limit the type of request you can make. You just need to let us know what you want to do and what positive things your activity will provide for your community.

## Is there anything you can't apply for?

Unfortunately, there are a few things that can't be funded, such as activities that have already taken place or been paid for, contributions to major appeals or salaries, activities promoting political or religious beliefs and activity which should be provided by statutory services.

If you're not sure if we could consider your application for funding, please contact a member of the Forever Manchester Communities Team, email [awards@forevermanchester.com](mailto:awards@forevermanchester.com) and we'll be happy to help.
